## **COMPANY PROFILE**

A limited liability company incorporated under the companies act No.07 of 2007 of the Democratic Socialist Republic of Sri Lanka, Sentryco Security (Pvt) Limited counts Eleven years experience in providing security services. The current clientele comprises of leading private sector and Government organizations in Sri Lanka.

Our strength and advantage lies in the fact that we are positioned in almost 90% of the districts of Sri Lanka as we secure the majority of Bharti Airtel towers in Sri Lanka. Therefore our supervisory staff plays an active role island wide, enabling us to deploy personnel at short notice in any part of the country.

### **PERSONNEL AND TRAINING**

Our security team is self-motivated, diligent and well-disciplined personnel who are mostly Ex-service commissioned and non commissioned Officers. All new recruits undergo stringent training in the following areas to make them competent and effective in carrying out their duties.

- (a) Securing premises, establishments and factories effectively and also provide security to individuals
- (b) Right of private defense
- (c) Training in Electronic/CCTV walk through metal detectors
- (d) Procedures on powers of arrest by security staff
- (e) Effective customer relations
- (f) Observations at sites

In addition to training in general duties our security personnel are given a comprehensive training in the following specialized areas at the time of recruitment.

Fire	: -	Types of fire, First aid Fire Appliances (FAFA) and practical fire Fighting.
Explosives	: -	Identification of explosives, Improvised Explosive Devices (IEDs) Follow up action to be taken on detection of explosives /IED's / etc.
Public Relations	:-	Special Programmes to train all aspects
First Aid	:-	Training of safety methods and First Aid

## **DEPLOYMENT / SUPERVISION AND CONTROL**

A Visiting Officer would be appointed who would be responsible to visit the site 04 times during day and twice during night per week.

Manager Operations in charge of the area will visit/meet the Client once a month, and provide a feed back to the Management with regard to performance/ lapses etc.

## **SERVICES PROVIDED BY SENTRYCO**

- (a) Provision of security services to Companies, factories and private residences,
- (b) Conduct background investigations on prospective employees either before or after employment to suit client requirements.
- (c) Departmental investigations to provide the client information with regard to an offence (white collar crime / cheating / misappropriation / frauds) which would help the client to proceed with appropriate disciplinary action/Police Investigations etc.
- (d) Background checks of persons for criminal records/criminal behavior etc. before or after enlistment.
- (e) Bank Security
- (f) Security Surveys
- (g) Vetting reports on employees and applicants
